Step 6

You will be taken to a screen that shows all the programs the child is eligible for based on his/her age.

At this point there are no discounts shown, just the registration fees. Discounts will be applied later during the checkout process.

Click the “Register” button next to the appropriate program for each participant.

The Challenger program, will show up for almost all participants. This is a program for children with physical difficulties and mistakenly selecting that option will cause your child to be listed in the wrong group which could affect our communication with you.

The screenshot displays a registration interface for 2017 Spring Baseball/Softball. It features two main program sections, each with a list of options and a registration fee. A sidebar on the right provides a summary of the registration process, including a 'View My Cart' button and contact information for the Ridley Area Little League.

Step 8

If you have more than one child and one of those children is in Tee Ball you must check the “Yes” box to make sure your discount is applied correctly.

<i>Additional Program & Division Questions</i>

The system forces us to apply a flat discount of \$70 which for Tee Ball would be \$40 so we need to add back the \$25 to make the fee \$65.)</p>	<p><input type="radio"/> Yes <input type="radio"/> No</p>

Step 9

You will be asked if you want to volunteer for any of several positions such as Head Coach, Assistant Coach, Field Maintenance and Snack Bar

It will be extremely helpful if you mark these if you are interested because it helps us track and communicate with those individuals.

We ask that you consider volunteering your time to your kids and get involved. The organization is 100% volunteer and nothing gets done without the selflessness of our members.

Step 12

Confirm the players you are registering

All Registration Fees and discounts will be applied at this time.

Due to some of the restrictions of the system, families with Tee Ball players may see some confusing math at this step. The program allows us to create a discount for 2nd and 3rd participants and the discount is \$70 from the regular price. If one or more of those players is a Tee Ball player, the registration for Tee Ball is already lower to \$110. By taking the \$70 from \$110 it would be \$40 so we have to add \$25 back in.

The screenshot displays a registration summary for two players. The first player, Jimmy RALL, is registered for Major National baseball for the 2017 Spring season, with a registration price of \$135.00. The second player, Teeball RALL, is registered for Tee Ball for the 2017 Spring season, with a registration price of \$65.00. The order summary shows a total of \$200.00, with the balance due today. The page also includes a Norton Secured logo and contact information for the Ridley Area Little League.
